

NOTICE

PLEASE BE AWARE

IDLING YOUR VEHICLE'S ENGINE UNNECESSARILY

IS A WASTE OF EXPENSIVE GASOLINE.

IDLING USES A FINITE RESOURCE WITHOUT ANY GAIN.

IDLING POLLUTES THE AIR,

MAKING BREATHING DIFFICULT FOR SOME.

WE AGREE: MY ONE CAR OR TRUCK WON'T MAKE MUCH DIFFERENCE.

WE AGREE: ALL OF US TOGETHER CAN MAKE A LARGE DIFFERENCE.

WE URGE YOU TO BE AWARE OF YOUR SMALL ACTION THAT,

WHEN MULTIPLIED BY THOUSANDS, MILLIONS, HUNDREDS OF MILLIONS,

CAN MAKE A MAJOR DIFFERENCE IN SLOWING THE RATE OF GLOBAL WARMING.

THE TIME GUIDELINE FOR IDLING IS FIFTEEN SECONDS.

IF YOUR CAR OR TRUCK WILL BE IDLING FOR LONGER THAN 15 SECONDS

PLEASE TURN IT OFF
